## We Need Your Input!

New Links is a yearlong project to study and develop a plan to redesign the public transportation network in Greater New Orleans.

The Regional Planning Commission will be holding a series of Planning Open Houses during July and August to explain the network redesign process, discuss service trade-offs, and gather feedback from the public.

For more information, and for meeting updates and announcements, visit [newlinksnola.com](http://newlinksnola.com).

*Events will be co-hosted by the Regional Transit Authority (RTA). Orleans Parish events are co-hosted with the Mayor's Office of Transportation. Jefferson Parish events are co-hosted with the Jefferson Parish Department of Transit.*
